Office Order :

Ministry of Education (MoE), Govt. of India has established 'MoE's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are informative years. MIC has envisioned encouraging creation of 'Institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs has been established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses.

With the motive to conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bound fashion and to carry out activities under Institution's Innovation Council (IIC), a committee is formed at this institute as under.
